

# PharmacyPro Update News February 2008

Used worldwide in over 3000 sites

**PharmacyPro** is certified for **Integrated EFTPOS** with Direct Payment Solutions (DPS). Benefits include:

- The amount for the EFTPOS unit always matches the till.
- There is no double entry of values into the EFTPOS unit.
- The EFTPOS receipt prints using your receipt printer so valuable counter space is saved.
- It uses your broadband so you don't need a phone line for EFTPOS.
- It is faster than your current EFTPOS as you are not waiting for the phone to dial.
- It's easy to install

For details on this product please call us or call DPS on 1800 006 254

## Welcome to your February 2008 Update News...

### Duplicate PLU / Trade Names Report

This report / utility has been changed to show stock cards with duplicate trade names on a separate tab. Click the 'Auto Check' button and it will automatically select the most likely stock card to keep, and will merge the others with this one (including suppliers, barcodes, history etc.).

Tools – Utilities – Stock Utilities – Duplicate PLU / Trade Name

PLU	TradeName	SOH	Expected Sales	Cost	Retail	Keep?
734285	ACHES N PAIN SPRAY 100ML	15	0	\$13.50	\$18.95	<input type="checkbox"/>

241429	BAND-AID MATHIAS V. ADHST	0	0	\$1.04	\$4.06	<input type="checkbox"/>

The Ticked stock items will be kept and the others hidden. Either tick manually or click 'Autocheck Keep'. Autocheck will tick cards with highest Expected Monthly Sales. Tick the 'New PLU' box if the cards with the same PLU are both valid stock cards. This will give each its own PLU number. Double Click on the Item to go directly to the Stock Card. Click Process to remove or merge unwanted cards.

Duplicate PLUs (POS Only). Total: 26  
Duplicate Trade Names (POS Only). Total: 146

Uncheck All Autocheck Keep Print Merge Exit

### Schedule Report

Some new functionality has been added to the Schedule Report:

- It can be run for a specific doctor.
- You can sort the report by date dispensed.
- You can now save both a S8 and a S3 report to the same disk.

### **Has your Monthly Update Gone Through?**

You can check to make sure your monthly update has gone through correctly by checking for a new drug card called 'New Drug February 08'. Next month this will be overwritten to 'New Drug March 08'. A reminder too that you can download your monthly update from the internet – Tools – Updates – Download Monthly Update.

### **APP2008**

HealthSoft are exhibiting at APP2008 at the Gold Coast Convention & Exhibition Centre this year (March 27<sup>th</sup> – 30<sup>th</sup>). Come and see some of the new and upcoming features in *PharmacyPro* (such as integrated EFTPOS). We look forward to seeing you there.

### **Supplier Updates**

*PharmacyPro* includes regular updates for supplier files (for both smaller suppliers and the major wholesalers) in the Supplier Update utility. You can use these to change prices, add new ranges of stock cards etc. If you regularly receive stock from a supplier that isn't already in our file, please let us know and we will endeavour to get the supplier file for you.

### **Account Statements by Email**

HealthSoft is sending your account statements via email. So please keep an eye out for your emailed statement, and let us know if there's a specific email address that you'd like these sent to. Please let us know if you still require a paper copy of your statement.
