

PharmacyPro Update News, February 2009

Proudly Supporting Australian Pharmacy for 25 Years

Used Worldwide in Over 3000 Sites

Auto Download Monthly Update

A reminder that if you have set 'Auto Download Monthly Update' in Options\Switchboard, then the update will run automatically on the 1st of the month as long as you leave the master computer on.

Training Sessions

A number of pharmacies have taken the opportunity to get *PharmacyPro* training over the internet. For a small charge you can have one of your staff trained on topics of your choice eg Supplier Updates, managing Product Groups, Ordering, etc. Please call us to book a suitable time.

Internet Ordering for API Customers

Please note that you can use PSLNet to send orders to API via the Internet. This can be set up in the Supplier Utility. See InstantHelp or call us for help on how to do this.

Are You Interested in Any of These? SMS Repeat Reminders

Send repeat reminders to patients via SMS and last repeat script requests to GPs and specialists via the web or fax.

Patient Medication Profile

Tablet/capsule images are available for downloading onto your *PharmacyPro* computers.

Integrated EFTPOS

- The amount for the EFTPOS unit always matches the till.
- No double entry of values into the EFTPOS unit.
- EFTPOS receipt prints on your receipt printer, saving valuable counter space.
- Uses broadband so you don't need a phone line for EFTPOS.
- Faster than your current EFTPOS as there's no waiting for the phone to dial.
- Easy to install.

For further details on any of these features, please phone us on 1800 887 610.

Email Statements and Save a Tree!

If you're not already receiving our statements by email, please let us know the email address you'd like us to send them to. Of course you can use this same feature in *PharmacyPro* to email your customers too. Once set up, it is just a click of a button to send all your email accounts.

Suppliers

The following Supplier files have been updated in *PharmacyPro* this month.

Blackmore
Garnier
Gibson
L'Oreal
Maybelline
SSS Jan 26 POS

Do you have other suppliers you'd like updated information for?

HealthSoft Australia Limited
P O Box 7121, St Kilda Road, Melbourne, VIC 8004
Level 1, 61-63 Wellington Street, St Kilda, Melbourne, VIC 3182
