

Proudly Supporting Australian Pharmacy For Over 25 Years

Used Worldwide In More Than 3000 Sites

Welcome to New Users

A very warm welcome to this month's new *PharmacyPro* customers. We're delighted to have you join us.

Drug Updates

Please note the following changes to the Drug File:

Pack Size and Maximum Quantity Change

Mesalazine suppository 1g, item code 8752P, brand Pentasa – pricing pack size changes from 28 to 30 with a change to the Commonwealth price to pharmacist. The listed maximum quantity of 28 changes to 30. A new stockcard has been created in *PharmacyPro*.

Relisted Item – Flupenthixol Decanoate

Flupenthixol Decanoate, oily I.M. injection 20mg in 1mL, brand Fluanxol Depot, item code 2255Q and Zuclopenthixol Decanoate, oily I.M. injection 200mg in 1mL, brand Clopixol Depot, item code 8097E deleted in April 2011 have been Relisted effective 1 September 2011.

Existing prescriptions written as a PBS benefit prior to 1 April 2011 can be dispensed after 1 September 2011 with the Relisted item codes 2255Q and 8097E. Prescriptions written between 1 April 2011 and 1 September 2011 are private prescriptions.

Alterations – Authorised Prescriber

The following items have had a change to the prescriber type, ie. not available for prescribing by nurse practitioners effective from 1 Sept 2011 as detailed in the Summary of Changes: Calcium Folate 15mg Tablets 2308L Calcium Folate Injection 50mg, 100mg & 300mg 8740B, 8812T & 9041W.

Clopidogrel and Fentanyl Patches

There are new and existing items, in different strengths, for both these drug items, which are equivalent for the purposes of substitution.

New to PharmacyPro this Month

Doward International and PharmX

Using the PharmX ordering gateway allows you to send orders and retrieve invoices via the Internet from any computer.

Please note that Doward International are now able to process PharmX orders. If you would like to start using PharmX Internet ordering, please contact us on ph. 1800 887 610.

Locums

If you have a Locum, let them know we're just a phone call away. Our phone and fax numbers are at the bottom left hand side of the main Dispense and Sales screens.

New Team Member at HealthSoft

Welcome to Chung On Tsui, Pharmacist and Developer who has worked in a compounding pharmacy for eight years. Chung has joined the **HealthSoft** development team but you may hear him when you phone the Support desk.

Supplier Update

The following files have been updated in *PharmacyPro* this month.
